

CHEROKEE ART MARKET

The Cherokee Art Market is regarded as one of the finest Native American art markets in the United States. Our generous sponsors have contributed to the success of the market, and we invite you to become a part of this prestigious, exciting event as it celebrates its 19th year.

The Cherokee Art Market will draw thousands of attendees to the Tulsa area October 12 and 13, 2024. The Cherokee Art Market is an intertribal market that features an average of 150 Native American artists representing 50 different tribes across North America. As a juried art show, the Cherokee Art Market attracts the most revered Native artists, creating an excellent venue for artists to compete and broaden their experience. Not only is the world's finest Native American art for sale, the weekend's cultural demonstrations showcase various Native American artistic traditions.

The success of the Cherokee Art Market would not be possible without the support of our sponsors. We invite you to be part of this year's event, and would truly be grateful for your support.

Sponsorships are arranged in levels and come with promotional benefits for your organization. These benefits are described on the next page. Please feel free to contact us for more information. We look forward to hearing from you.
